

COMMERCIAL USAGE LICENSE AGREEMENT

Official Grant of Commercial Exploitation Rights for DraftSanctum AI

LICENSOR: D App Online Ltd (Company No. 11369975, England & Wales)
PLATFORM: DraftSanctum AI (draftsanctum-ai.d-app.online)
EFFECTIVE: Upon subscription activation (Perpetual rights on generated assets)

1. Purpose & Binding Nature

This Commercial Usage License Agreement ("Agreement") constitutes a legal contract between D App Online Ltd ("Licensor", "we", "us", or "our") and the registered subscriber ("Licensee", "you", or "your") accessing the DraftSanctum AI platform. By maintaining an active paid subscription (Weekly, Monthly, or Yearly), you are granted full worldwide commercial rights to all visual designs and assets generated through your account.

2. Grant of Commercial License

Subject to the terms and conditions of this Agreement and ongoing compliance with platform terms, the Licensor hereby grants to the Licensee a perpetual, worldwide, non-exclusive, royalty-free license to use, reproduce, modify, adapt, display, distribute, publish, and commercially exploit all visual renders, images, and content produced through the DraftSanctum AI service ("Licensed Assets").

3. Permitted Commercial Applications

The Licensee is fully authorized to utilize the Licensed Assets for lawful commercial and professional undertakings, including without limitation:

- " Client Presentations & Deliverables: Incorporating designs into interior design portfolios, architectural pitches, property proposals, and paid client deliverables.
- " Real Estate & Marketing: Featuring renders in residential and commercial property listings, estate agent brochures, development signboards, and virtual staging.
- " Digital & Social Media: Publishing visual outputs across commercial websites, promotional video content, social media campaigns, newsletters, and digital ads.
- " Physical Merchandise & Print: Printing designs on brochures, physical canvases, marketing collateral, publications, books, and merchandise for resale.
- " Media & Broadcast: Utilizing assets in digital broadcasts, tutorials, streaming media, and commercial exhibitions worldwide.

4. Asset Ownership & Generative AI Notice

Between you and D App Online Ltd, you retain full commercial exploitation rights over all unique visual designs generated by you. Because DraftSanctum AI utilizes advanced generative artificial intelligence, you acknowledge that generative models operate on probabilistic weights; while your specific generated outputs are licensed exclusively for your commercial use without royalty, the Licensor does not guarantee that separate users with identical prompts will not produce visually similar outputs.

5. Scope of Rights & Restrictions

The commercial license granted herein applies strictly to the visual output assets generated by you. You may NOT:

- " Resell, redistribute, or reverse-engineer the underlying DraftSanctum AI generative software engine, API, or service as a competing AI service.
- " Utilize the platform to generate illegal, defamatory, fraudulent, or infringing material under the laws of England and Wales.
- " Sublicense or transfer your subscription account credentials to unauthorized third parties.

6. Perpetuity & Continuation After Cancellation

Commercial rights granted for assets generated during an active paid subscription are PERPETUAL. In the event that your subscription is paused, downgraded, or canceled, your right to continue commercially exploiting, displaying, and profiting from all designs generated during your active subscription remains 100% intact with zero ongoing royalties.

7. Governing Law & Jurisdiction

This Agreement and any disputes or claims arising out of or in connection with it shall be governed by and construed in accordance with the laws of England and Wales. Both parties irrevocably agree that the courts of England and Wales shall have exclusive jurisdiction.
